About The Lincoln Tomb & War Memorials Express

Designed around the Flag Retreat Ceremony held every Tuesday evening in the summer at Lincoln's Tomb, SMTD offers an express service from the Old State Capitol to Oak Ridge Cemetery, with stops available at the War Memorials area and at Lincoln's Tomb. Two trips are designed to get visitors to the cemetery in time for the ceremony, and one is intended to serve passengers returning to the downtown area.

As an express route, the Lincoln Tomb & War Memorials Express will only stop at the Old State Capitol, War Memorials and Lincoln's Tomb. The bus will NOT stop at regular SMTD bus stops along the route.

War Memorials

As you enter Oak Ridge Cemetery, the first stop inside the cemetery is the War Memorials area, containing beautiful memorials to veterans of WWII, Korea and Vietnam.

The Flag Retreat Ceremony

Every Tuesday evening in June, July and August at 7:00 PM, the 114th Illinois Volunteer Reactivated Infantry demonstrates Civil War Military drills and conducts flag retreat ceremonies at the Lincoln Tomb. At each ceremony, a selected visitor receives the United States flag that flew over the tomb the previous week.

Fare

The fare to ride the Lincoln Tomb & War Memorials Express is \$2 for unlimited rides on the day the ticket is first used. For example, use the same ticket to ride to the War Memorials, then from there to Lincoln's Tomb, and, finally, from the Tomb back downtown - all for just \$2!

The trip from the Old State Capitol to Lincoln's Tomb takes about 16 minutes.
